# Zine Quote of the Month

“When it’s summer here, I’m outside all the time. I read, eat, stargaze, walk, garden, hike all summer long... I get to enjoy lemonade wherever I go as it’s served only seasonally here... I go to the Royal Oak Farmers Market every Saturday to supplement what’s not already in my garden.

This year, we began sitting in our slowly developing backyard gardens and watched the stars come out—it’s great meditation before going to sleep! Everything is green and blooming and pretty, unlike the stark, cold, gray of winter.” —Maria Almaguer, [Summer Girl no. 2](#), 2007, Zines A46s
